

NOTES

Octavia

THE BLEND

Octavia is comprised of some of our favourite coffees that combine to deliver this outstanding blend.

We focus on sourcing coffee with distinctive character from farmers dedicated to producing outstanding crops and support ethical practices at origin. Our selection of premium coffee beans has created this great all-round blend.

ROASTING PROFILE

Single phase, lightly roasted blend of outstanding complexity and smoothness.

COFFEE ORIGINS

- Colombia
- Costa Rica
- Sumatra

AROMA

The light roast characteristics of sugary and floral aromas dominate this outstanding coffee. Hints of nutmeg and other spices blend in perfect harmony with delicate roasted notes to provide a complete aromatic experience.

BREWING METHODS

- Espresso
- Plunger
- Stovetop

NOTES

Octavia

TASTING NOTES

Octavia is our most complex blend and our lightest roasted coffee. It has outstanding characteristics of sweetness and clean acidity, combined with a smoothness and softness that fills the mouth. It leaves no hint of bitterness, just a delightful roasted finish of considerable length.
